

**DO YOU KNOW WHERE
YOUR KIDS ARE
TONIGHT?**

- 40% of young people had not used contraception on at least one occasion because they were under the influence of alcohol or drugs.
- 20% of young men and 13% of young women aged 13-19 identified alcohol as the main influence the first time they had sex.
- Young people drinking in public places are more likely to binge drink.
- 18 children a day in the UK are hospitalised due to alcohol use.
